Professional Development that Changes Practice

Facilitated by: *September Gerety — B.A. Elementary Ed., M. Ed. Leadership*

October 31, 2018 to November 1, 2018

DAY 1: 9:00am to 4:00pm ~ DAY 2: 9:00am to 3:30pm

UCP Seguin/Infinitec Southwest

7550 West 183rd Street
Tinely Park, IL 60477

Who Should Attend? This session is designed for SLPs, OTs, Gen. Ed. Teachers, Sp. Ed. Teachers, Parents, Paraprofessionals, Social Workers and Administrators.

What Is It? Here's one professional development scenario: Participants attend a training or seminar where an engaging, dynamic presenter shares wisdom and ideas. They are inspired and excited about putting those ideas into practice. And then they go back to their day-to-day context, and nothing changes.

Here's another: Participants attend a training or seminar that feels irrelevant to their role, or that is far too basic or far too advanced for their current level of practice. They suffer through, check the boxes and get the certificate. And then they go back to their day-to-day context, and nothing changes.

It doesn't have to be this way! We know what it takes to create successful professional development experiences that actually change practice. This two-day training will focus on application of the research about adult learning and professional development, including the Practice-Based Coaching model.

Financial Disclosure: September Gerety is being paid an honorarium and travel expenses for this presentation.

Non-Financial Disclosure: September Gerety has no relevant nonfinancial relationships.

Outcomes

Participants will be able to:

- describe principles of adult learning and research-based professional development.
- describe the Practice-Based Coaching Model.
- plan for application of adult learning/professional development principles and components of coaching in the context of current practice and organizational realities.
